Digestive Health 101

by Emily Hosch Sponsored By: Natural Grocers

Today, 70% of Americans experience digestive related symptoms or diseases. This is a startling statistic as an unhealthy gut has been linked to worsening overall health, including increased risk for chronic diseases such as diabetes, obesity, autism, depression and anxiety. Join this class to learn the ins and outs of supporting digestive health and digestive comfort, and how this could be the key to making a difference in your overall health and well-being.
