It's in the Air: Seasonal Irritants

by *Yaakov Levine* Sponsored By: Natural Grocers

Problems with pollen? It seems like every year spring comes with annoying respiratory frustrations for more and more of us. These seasonal symptoms are often caused by our immune system reacting to harmless airborne substances like pollen. Wave goodbye to your problems with pollen by learning what nutrients help support a balanced immune response to airborne irritants. Breathe Deeply!

Digestive Health 101

by *Yaakov Levine* Sponsored By: Natural Grocers

Today, 70% of Americans experience digestive related symptoms or diseases. This is a startling statistic as an unhealthy gut has been linked to worsening overall health, including increased risk for chronic diseases such as diabetes, obesity, autism, depression and anxiety. Join this class to learn the ins and outs of supporting digestive health and digestive comfort, and how this could be the key to making a difference in your overall health and well-being.

The War on Salt

by *Yaakov Levine* Sponsored By: Natural Grocers

We've seen the headlines and dietary guidelines urging all Americans to cut down on salt. However, research now suggests that these claims should be taken with a grain of salt. In fact, for most Americans, more salt is actually health-promoting. Join this class and discover how adding more salt to your diet can support overall health, including heart health, exercise performance, and healthy weight maintenance.
