## Dysbiosis and Digestive Discomfort

*by Vaughn Peterson* Sponsored By: Natural Grocers

Do you experience occasional gas, bloating, and abdominal discomfort? We know the importance of beneficial bacteria in our gut, but when we have too many, or the wrong types of gut bugs, we can experience digestive discomfort and gut dysfunction. In this class, you'll discover the importance of having a healthy microbial balance in the gut, which can support gut comfort and overall health.

## Demystifying Fats

*by Vaughn Peterson* Sponsored By: Natural Grocers

Fats have been blamed for our declining health since the 1950s, but are they really the villains they've been made out to be? Discover why fats are essential to health and learn why nutrient-dense high-fat foods should be part of a healthy diet. In addition, this class will highlight some of the latest research on fat as we untangle the truth and demystify fats.
