## Fight the Blue Light with Lutein

by **Brandon Kirchner** Sponsored By: Natural Grocers

Blue light is everywhere and unavoidable. Many of us spend over 10 hours every day staring at blue light from our digital devices. This is not only problematic for our eye health but can also interfere with sleep and cognition. Join us to discover why lutein is great for our eyes, but also a super nutrient for the brain throughout our entire lifetime and perfect for our skin when spending time in the sun.

## What Is Grass Fed Beef?

by **Brandon Kirchner** Sponsored By: Natural Grocers

Grass fed beef has become incredibly popular, and for a good reason: It's better for you, better for the planet, and better for farmers. However, with the rising popularity of grass fed beef there has been an increase in "grass fed" products that aren't what they seem to be. Don't be fooled, learn how to spot these imposters, and discover what terms to look for when shopping for a grass fed product.

## Demystifying Fats

by **Brandon Kirchner** Sponsored By: Natural Grocers

Fats have been blamed for our declining health since the 1950s, but are they really the villains they've been made out to be? Discover why fats are essential to health and learn why nutrient-dense high-fat foods should be part of a healthy diet. In addition, this class will highlight some of the latest research on fat as we untangle the truth and demystify fats.
