Healthy Skin and the Sun

by Judy Guerin Sponsored By: Natural Grocers

Who doesn't like spending time in the sun? It makes us happy and gives us Vitamin D. But no one wants sun spots, wrinkles, or damaged skin. It's never too late. You can have it all: fun in the sun and healthy skin! All it takes is a good mineral sunscreen, nutritious food, and a bit of supplement savvy and away you go!

Can Your Food Choices Save the Planet?

by Judy Guerin Sponsored By: Natural Grocers

Throughout history, civilizations that have destroyed their environments have disappeared. Industrial agriculture in the United States is destroying our environment and jeopardizing the American way of life. How can one person influence change in the face of such a problem? Farmers who raise animals on managed pasture provide a beacon of hope and a way in which your food choices can save the planet!

Ladybug Love

by Judy Guerin Sponsored By: Natural Grocers

The ladybug has been deemed "a fairy godmother for plants." Sadly, popular agricultural practices have contributed to the rapid decline in ladybug populations. This class is an opportunity to learn what steps to take to protect this vital component of our ecosystem. By taking our pledge and showing ladybugs and other beneficial insects some love, you can make an impact!
