The Power of Probiotics

by **Rebekah Legge** Sponsored By: Natural Grocers

Add some life to your plate and join us to sample and learn about the variety of living cultured foods that are available from yogurt and kefir to kimchi. Eating fermented, probiotic-rich foods keeps your gut and YOU healthy. For thousands of years, humans have relied on these superfoods for overall health, but today our diet is often lacking in them.

It's in the Air: Seasonal Irritants

by **Rebekah Legge** Sponsored By: Natural Grocers

Problems with pollen? It seems like every year spring comes with annoying respiratory frustrations for more and more of us. These seasonal symptoms are often caused by our immune system reacting to harmless airborne substances like pollen. Wave goodbye to your problems with pollen by learning what nutrients help support a balanced immune response to airborne irritants. Breathe Deeply!

Digestive Health 101

by **Rebekah Legge** Sponsored By: Natural Grocers

Today, 70% of Americans experience digestive related symptoms or diseases. This is a startling statistic as an unhealthy gut has been linked to worsening overall health, including increased risk for chronic diseases such as diabetes, obesity, autism, depression and anxiety. Join this class to learn the ins and outs of supporting digestive health and digestive comfort, and how this could be the key to making a difference in your overall health and well-being.

DIY Body Care for Every Body

by **Rebekah Legge** Sponsored By: Natural Grocers

You eat organic and read labels to avoid chemicals, but what about your body care products? The average American uses 9 products a day for a total of 126 different ingredients - many of which are hormone disruptors, neurotoxins and skin irritants. But not ours! Scrub goodbye to skin care chemicals and learn fun, easy do-it-yourself body care using oils, foods and everyday ingredients at home.
